

## Propane Gas Fitter Apprentice

The Co-operative Retailing System (CRS) is a unique, multi-billion dollar organization based on the fundamental principles of co-operation. It is comprised of a network of approximately 260 autonomous retail co-operatives across Western Canada along with their branch operations, and Federated Co-operatives Limited (FCL). FCL is the wholesaling/manufacturing arm of the CRS, which provides the retail co-ops with a range of products and services. FCL invites applications for the position of Propane Gas Fitter Apprentice.

Located in Yorkton, Saskatchewan, the successful candidate will be responsible for promoting the sale and use of Co-op propane, accept, schedule and carry out service and installation orders, maintain an inventory of propane equipment and ensure compliance to safety and preventative maintenance procedures. The successful candidate must also take necessary training as part of apprenticeship program to obtain gas license.

The successful applicant must also be prepared to respond to emergency service calls on evenings and weekends on short notice.

### **Qualifications Required**

Candidates will hold a high school diploma (or equivalent), a valid Class 3A Drivers License and have a safe driving record and must be prepared to travel or temporarily relocate if necessary to attend trade school as part of the apprenticeship program. Applicants should also possess interpersonal and communication skills with a strong focus on safety and customer care. Preference will be given to those with a Co-op background.

Federated Co-operatives Limited offers a competitive salary, a comprehensive benefits package, and excellent opportunities for advancement.

Interested candidates should submit detailed resumes along with salary expectations to:
