

## MODULE 25 PROGRAM – LIQUID PROPANE TRAINING

Dear Ontario Members,

For all Gas Technicians who require their Liquid Propane Endorsement, Ontario-based training company, FSN Training & Development Inc., has scheduled a 5-day training program called **“Module 25 – Liquid Propane Training”** to be held in Pickering, Ontario, March 23-27, 2009, at the Fuelstec Training Centre, 962 Alliance Rd, from 8:30 a.m. – 5 p.m. The program will include theory, “hands on” training and the TSSA exam.

### COSTS:

\$1095+GST/person (includes material & TSSA license fee).

Other required course material includes the B149.2-05 Propane Storage & Handling Code. Copies of the Code can be pre-ordered with 1 week notice prior to the course for an additional cost of \$100.00 + GST.

### REGISTRATION

The registration deadline is **March 16, 2009 at 5 p.m.**

The registration form is attached.

*FSN Training & Development Inc. is the Propane Training Institute's Regional Business Partner for Ontario and Atlantic Canada. This course is one of many courses offered by FSN Training & Development, including the complete line of Propane Training Institute courses, and Train-the-Trainer. FSN Training & Development can assist PGAC members with their internal training needs as well as the training needs of your customers who require ROT certificates.*
